Announcing Change of Date for " SKIP CITY INTERNATIONAL D-Cinema FESTIVAL 2011 " October 8th (Sat.) -- 16th (Sun.), 2011

We would like to express our sincere condolences to the victims of The Great East Japan Earthquake took place on March 11th, 2011 and deepest sympathies and prayers to those who were afflicted. We sincerely pray for swift recovery and wellbeing of everyone affected by the crisis.

The preparation for the 8th edition of SKIP CITY INTERNATIONAL D-Cinema FESTIVAL (Organized by Saitama Prefecture, Kawaguchi City, and SKIP CITY INTERNATIONAL D-Cinema FESTIVAL Committee and others) has been underway to take place for the yearly date of July. However, after careful considerations in regard to the lack of stable supply of electricity during the summer time, we have made a decision to move the festival date to October 2011.

This year marks the 8th edition of SKIP CITY INTERNATIONAL D-Cinema FESTIVAL, which was launched in 2004 in order to discover the next generation of emerging talents, explore new ways of digital expression combined with entertainment value, and contribute to the development of audio visual industry. Now with the new festival date set in October, we continue our daily efforts to deliver hopes and dreams to our audience as we conduct electricity conservation at the preparation stage and pray for swift reconstruction of the disaster stricken areas.

We hope you will join us in October at SKIP CITY INTERNATIONAL D-Cinema FESTIVAL 2011.
